ANNEXURE - I

Subject: International IP Moot Court Funding Guidelines (IIMCFG)-reg.

1. Introduction

In today's globalized landscape, where intellectual property rights drive the boundaries of innovation, it is essential for India to develop legal professionals with expertise in IP law. International moot court competitions help students develop legal research, writing, and advocacy skills while boosting confidence and public speaking. They also offer global exposure, networking opportunities, and enhance career prospects in law. The International IP Moot Court Funding Guidelines (IIMCFG), an initiative of the CIPAM Cell under DPIIT, seeks to sponsor Indian law students participating in prestigious international IP moot court competitions.

2. Objectives

- Promote the participation of Indian law students in prestigious international IP moot court competitions.
- Offer financial assistance to help fight economic barriers.
- Foster inclusive representation from a wide range of academic institutions across the country.
- Contribute to the development of a strong pipeline of globally competent IP law professionals.

3. Eligibility

3.1 Student Eligibility

- Students must be currently enrolled in law universities, colleges, or institutions of higher learning recognized by the Central or State Government, including those recognized by the UGC.
- Selected for one of the international moot competitions listed out under these Guidelines
- Only one team per institution per year, comprising a maximum of three students, will be funded.
- Applications will be accepted through the dedicated email ID - ipmootcourt-dpiit@gov.in

3.2 Listed Competitions
